

SWIMMING POOL REGULATION

- To access the pool, wash your feet in the footbath.
- Take a shower before entering the water.
- It is compulsory to wear pool slippers.
- It is compulsory to wear a swimming cap.
- It is forbidden to run.
- Balls and air mattresses are forbidden.
- Jumping into water is forbidden.
- Pets are not allowed.
- Children under the age of 12 are allowed to enter the pool only if accompanied by parents or other adults.
- Waterslides must be used by one person at the time.
- It is forbidden to stop halfway down the waterslide.
- It is compulsory to go down the water slides with feet pointing towards the water.
- Children use the water slides under the responsibility of their parents. The Management disclaims all liability for any damage suffered by people when using these facilities.
- The use of pool and water slides presupposes being in a state of health compatible with the activities taking place. Everyone participates assuming responsibility for it. Minors participate under the sole responsibility of their parents or of the adults, who accompany them.
- Children must be accompanied when using equipment and services. They must be supervised by the parents, who are directly responsible for them. Management refuses any responsibility.
